Can I skip certain sessions?

You can choose which session you want to sign up for. However, we encourage dancers to take them back to back so they don't skip a beat.

What happens if we miss a class in the session?

If you sign up for the progressives and miss a class, there are no refunds on that missed class. The fee is a fixed fee for the full session. You can however, take another adult class to make up the missed class. This must happen within the same session.

Why register for a class instead of dropping in?

We encourage dancers to register for the full 8-week session as they are able to progress a lot more throughout the weeks and get the best benefit from the class.

What happens after the session?

The class continues on until June. We encourage you to continue on to the next sessions.

How can I drop in?

You still need to make a profile and select a drop-in date. We ask that you pre-register your drop ins 6 hours prior to class to avoid disappointments. Walk-ins are welcome however, please note that IMD has the right to cancel any classes without notice due to various reasons. If you pre-register you will be notified on any cancellations.

How do I pay for a drop in?

You can pay in person by cash, credit or debit or online when you register.
