Highlighted classes are our most popular classes that fill up quickly!

Our 6+ recreational program is split into 2 division:

Core & Performance Divisions

- **Core**

Lowest commitment program. For dancers who want to learn, move, and express themselves in a fun and supportive environment. Classes focus building confidence, coordination, and creativity, with many in-studio performances and our year-end recital. No class minimum requirement

- **Performance**

For dancers who want a slightly higher commitment level & more performance opportunities, all in a non-competitive setting. 2 class minimum with at least one technique class required. 2-3 performances per year. Added monthly fee and added rehearsals. Contact the office for more information.

RAD Ballet Classes

All Ballet classes learn RAD Syllabus. An assessment will be required to ensure proper grade level placement. This will be done in class, and will be advised to move grades if applicable.

The grades listed on the schedule are the RAD Syllabus grades and does not necessarily correlate with school grades.

Extra fees & commitment required if participation in RAD Exams.

IMD reserves the right to change the schedule. Classes are shown by age, however placement is according to level/ability. IMD staff will be happy to assist in placing your dancer in the appropriate class.
All classes are held at In Movement Dance Co
